Welcome to our Pottsville School Canteen; we are looking forward to meeting you in 2011. The canteen relies on parent helpers and it is a great way to meet new people or get together with a friend, also the children love to see a familiar face in their canteen.

Your canteen currently operates four days a week - Tuesday, Wednesday, Thursday and Friday. Help is needed from 9 am til about 2 pm. No experience is necessary and any amount of time is helpful from an hour to a whole day. Our canteen supervisor, Lyn Marcus is the friendly face who will meet and greet you. She will answer all your questions and help you find the jobs you like. We are all different and there are lots of jobs to choose from like preparation, cooking, cleaning, counting, and serving, not to forget a cuppa and social networking.

For insurance reasons we ask that no younger children be brought to the canteen whilst on duty. Also we have been advised recently that appropriate clothing and shoes be worn for safety reasons and we are happy to leave this to your discretion.

Please indicate below when you are able to help and return this note to the canteen. We currently ask for a once a month commitment but feel free to do more or less.

I can help in the canteen:

- Tuesday
- Wednesday
- Thursday
- Friday

- Once a month
- Twice a month
- Other

Name ........................ Childs Name ........................
Phone ........................

Many Thanks and See You Soon.....
