Dear Parents/Carers

Pottsville Beach Public School Parents and Citizens have always played a significant role in our children’s education. Through the fundraising efforts of the P&C, together with successful grant applications and donations, we have been able to supply our school with some fantastic resources. Those include air conditioning in our classrooms, interactive whiteboards in classrooms, covered walkways between classrooms, books and other resources for the library and classrooms, ipads and computers and the big COLA, as well as supporting families of children representing the school at a district and state level in sports and the arts.

None of the above could have been achieved without the help of volunteers.

This year, we will be holding our bi-annual fete, which usually raises the school close to $20,000 – but to achieve this we need a lot of helping hands in the lead up and on the day.

Other fundraising events held through the year include Mother’s Day and Father’s day stalls, pizza days every term, K-2 sports day and Years 3-6 Athletics carnival, as well as our uniform shop (open weekly) and canteen (open 4 days).

We understand that every one is busy, and that you may not have the time to help out all the time, so we created a volunteer register. Every time we have an upcoming event, you will be notified by text. If you can help out fantastic, if you can’t, think about next time!

Pottsville Beach Public School has an awesome community feel and spirit, we welcome your support and input.
