When we leave school students will be wearing:
- Swimmers
- Hat
- No shoes & socks - sandals optional
  (NB: shoes and socks will be put on as soon as we return to school)

All students should have a plastic bag containing a towel, swimmers and goggles, all clearly labelled with their name and class. Please put name on plastic bag also.

Students will change into swimmers at school. Some children may elect to wear swimmers under their uniforms. If that is the case please ensure that underwear is in their plastic bag.

It would be great if you apply sunscreen to your child before school. The school has some sunscreen that the students can use to re-apply.

Girls should have their hair tied back and boys should wear appropriate swimwear.

Eye goggles (with names on them) are recommended for ALL children.

If you do not wish your child to attend a session due to illness you MUST send a note with them.

It is suggested that students do not access the canteen on swimming days but please send ample food for recess and lunch as swimming is hungry work!

All lost property is brought back to school and placed in the lost property basket.

Many thanks for your co-operation,

**Merilyn Blakeman**
